

# Lynyrd Skynyrd, Best Things In Life

(Gary Rossington - Tom Keifer - Johnny Van Zant)

I've got a sayin' in my life that's got me by so far  
Well it may not be right but, nobody's gonna tell me I'm wrong  
The first mistake is leave it up to somebody else  
If you want somethin' done you got to do it yourself  
I'll do it myself before somebody makes a fool out of me

[Chorus:]

'Cause nothin' comes easy for a man like me  
Everybody thinks the best things in life are free  
If they would open their eyes it'd be so plain to see  
That the best things in life don't come so easily

I met a man who thought just a little bit different from me  
He said you got it so easy but I just had to disagree  
It would have been alright but he pushed me too far  
If your lookin' for trouble step outside of this bar  
IF it comes down to fistin', mister that ain't nothin' new to me

[Chorus]

You'll find in this life if there's somethin' that you believe  
You got to get your hands dirty when it's somethin' that you really need  
If they ever give you somethin' too easily  
Can't be too good, 'cause nothin' good's for free  
Tell ya' straight from the heart a bed of roses it will never be

[Chorus]
