

# Lynyrd Skynyrd, Love Don't Always Come Easy

(Ed King, Johnny Van Zant)

Two young lovers meet and take each others hand  
They say I do in the name of the Lord  
Livin' as I givin' all they can  
Then the pressures come and a child is born  
Young girl cradles the child in her arms  
The man's home late and his day's too long  
They're both unable to spend some time alone  
That everybody needs to have  
That's the thing that keeps love strong

[Chorus:]

Love don't always come easy  
And sometimes love it can hurt  
Words don't always come easy  
It's worth a try we're gonna make it work  
'Cause love don't always come easy

Without warning many go a different way  
And travel that road lookin' for someone  
Their lives unravel a little more every day  
This ain't no time to turn and run  
It's a crime to throw it all away

[Chorus]
