

Lyriel, Surrender In Dance

I'm lost in the openess
Cannot find the way to go
So for now I will dance, where I am

There's no aim, no destination
I sing and dance the day away
Wilderness below my feet
Just the thoughtless could dance
The rhythm of life

I had no time to hate
Because the grave would hinder me
And life was not so rich
I could finish enmity

Life may be full of care
And we hope for recovery
But while we are here, we should dance

The last time my restless feet
Sensed the warmness of the sun,
We walked side by side

The long and lost road along
At that time there was no need to dance

I had no time to hate
Because the grave would hinder me
And life was not so rich
I could finish enmity

The tragedy of life is
That it ends so soon
And that we wait
So long to begin with it

Dance like no one's watching
Sing like no one's listening
Love like you have never been hurt before

I'm lost, and surrender in dance
Love like you have never been hurt before
I'm lost, and surrender in dance
You can't hurt me anymore
