M. Lipińska vs. H. Aboumaachar, I Just Can't Sto

I just want to lay next to you for awhile You look so beautiful tonight Your eyes are so lovely Your mouth is so sweet A lot of people misunderstand me That's because they don't know me at all I just want to touch you And hold you I need you God, I need you I love you so much

Each time the wind blows I hear your voice so I call your name Whispers at morning Our love is dawning Heaven's glad you came

You know how I feel
This thing can't go wrong
I'm so proud to say I love you
Your love's got me high
I long to get by
This time is forever
Love is the answer

I hear your voice now You are my choice now The love you bring Heaven's in my heart At your call I hear harps And angels sing

You know how I feel This thing can't go wrong I can't live my life without you

I just can't hold on

I feel we belong

My life ain't worth living If I can't be with you

I just can't stop loving you I just can't stop loving you And if I stop Then tell me just what will I do

'Cause I just can't stop loving you

At night when the stars shine I pray in you I'll find A love so true

When morning awakes me Will you come and take me I'll wait for you

You know how I feel I won't stop until I hear your voice saying "I do" (I do) This thing can't go wrong

This feeling's so strong

Well, my life ain't worth living If I can't be with you

I just can't stop loving you I just can't stop loving you And if I stop Then tell me just what will I do

I just can't stop loving you

We can change all the world tomorrow

We can sing songs of yesterday

I can say, hey... farewell to sorrow

This is my life and I

Want to see you for always I just can't stop loving you

No, baby
