

# M.O.P., Dead And Gone

Intro:

Firing Squad...To the Death

Hook:

When I'm dead and gone you won't be alone  
When I'm dead and gone

Verse 1:

O.G. Boom Bang (that's my nigga) that's right  
I told you knuckle build with skill love you after life  
And since your death everythings changed  
The family ain't the same shit seems strange  
I started beef with you, use to eat with you  
Sleep with you, creep with you, I got use to seeing you  
But I ain't smashed up, I ain't mad at cha  
I know some day we all gonna be up in that pasture  
But anyway, we finally got some ends  
Princess Imani will be blessed with them diamonds and gems  
Just like we always planned, so salute, to ya troop  
Tribute from your man Billy Danz I love you

Hook:

When we get there you won't be alone, when I'm dead and gone

Verse 2:

Yo, the whole scenery is packed in, people dressed in black and  
The whole place is flooded with tears, I'm surrounded by my peers  
There I lay, day after day has been a struggle for the man  
But when I'm put six feet under, will my son understand?  
This is some, ILL shit, that we DEAL with, because  
Caps get pealed QUICK, and we be dealin' with some real shit  
It's like a universal cycle, I'm a disciple  
You could be left not breathing even if you walking with your bible  
So when m body hit that soil and sinkin'  
I'm gonna be lookin' right over my son, even when I'm dead and stinkin'  
A legacy is left behind, for mine  
So he can stay strong, so that he can move on, when I'm dead and gone

Hook:

The way the world is going it won't be too long, when I'm dead and gone  
I'm on my way home  
Just give it up, just give it up, just give it up

Verse 3:

So kid, don't think you alone, when your daddy's all gone  
Cause I won' be resting in peace till I see you grown  
Carry on, nothing else could come above you  
You best believe I love you, I wouldn't of brought you in this world of  
struggle  
There's only two places to go, heaven or hell, well only God alone  
Will know, where I dwell, so stay tight, keep your head right  
It'll be alright, you'll never be alone, when I'm dead and gone

I be amongst the fallen members of my family tree  
(Baby Boy Brimmer) and my man Spuds McKenzy  
Princlly Roy and Big Mal, Lameef caught a beat  
A cat with that Danzine smile  
After I stopped breathing, I ain't leavin', cause I belive in  
Achievin' goals, through spiritual soul (REMEMBER)  
Death is just a heart beat away  
And if you live by the gun, you gonna die by the gun I love you

Hook:

When I'm dead and gone, when I'm dead and gone

The way this world is going it won't be to long  
I'm on my way home  
Just give it up, just give it up, just give it
