## M People, Don't Look Any Further

Someone to count on, in a world ever changin'. Here I am stop where you're standin'. What you need is a lover, someone to take over. Oh baby don't look any further. Strange when you think of our chances. That we'be both been in a state of mind. Too cool to be careless. Looking for the right thing. Oh baby don't look any further. Tonight we're gonna taste a little paradise. Rockin' all night long. Daylight I'll still be looking in your heavenly eyes.

## Chorus:

Day o umba day o mambu ji ay o. Don't look any further. Day o umba day o na jam bay um bay o. Don't look any further.
