

# M People, Sexual Freedom

Free free free my body, I want to love somebody. [x4]

Free, free me now. [x3]

Come on and free, free me now.

[chorus]

Sexual freedom, sexual freedom.

I need some sexual freedom.

Sexual freedom, sexual freedom, sexual freedom.

I need some sexual freedom.

Give it to me. [x2]

(Come on) [x4]

It takes more than an hour to turn a seed into flower.

But it only takes a night to turn darkness into light.

(Come on)

Free free free my body, I want to love somebody. [x2]

[chorus]

Give it to me.

Sexual freedom, sexual freedom.

I need some sexual freedom.

Sexual freedom, sexual freedom, sexual freedom.
