

M People, (Star Trek) Enterprise Theme Song

It's been a long road

Gettin from there to here
It's been a long time
But my time is finally here

And I will see my dreams come alive at night
I will touch the sky
And they're not gonna hold me down no more
No they're not gonna change my mind

(Chorus)

'Cause I've got faith of the heart
I'm going where my heart will take me
I've got faith to believe
I can do anything
I've got strength of the soul
No one's going to bend nor break me
I can reach any star
I've got faith
I've got faith
Faith of the heart
