

M!styc, I Love Rock'n'Roll

Hey!? Is this thing on?

I saw him dancing there by the record machine

I knew he must have been about seventeen

The beat was going strong

Playing my favourite song

And I could tell it wouldn't be long

Until he was with me

YEAH ME

And I could tell it wouldn't be long

Until he was with me

YEAH with me singin'

I love Rock'n'Roll

So put another dime in the jukebox, baby

I love Rock'n'Roll

So come and take your time and dance with me

Ouw!

He smiled, so I got up and asked for his name

"That don't matter," he said, "'cause it's all the same."

I said "Can I take you home where we can be alone?"

And next we were moving on

And he was with me, yeah, me

And we were moving on

Singin the same old song

Yeah with me

Singing...

I love Rock'n'Roll

So put another dime in the jukebox, baby

I love Rock'n'Roll

So come and take your time and dance with me

I love Rock'n'Roll

'Cause it suits my soul

I love Rock'n'Roll

Yeah....

I said "Can I take you home where we can be alone?"

And next thing we were moving on

And he was with me, yeah, me,

And we were moving on

And singin that same old song

Yeah with me

Singing...
