

# M. Ward, Never Had Nobody Like You

Well since time I had a mind I been lazy  
And times before that I was cruel  
And times before that I was lean I was mad  
Honey I aint never had nobody like you  
And the times before that well, I was crazy  
I saw the dark side of the moon  
And the stars in the sky they never caught my eye  
Cause I aint never had nobody like you  
I aint never had nobody like you  
Now its just like ABC  
Lifes just like 123  
Yeah yeeaaaah  
Yeah yeeaaaah  
Oh oh  
I watched my own habits die and its painful  
sometimes its painful in the light of the truth  
But you can be faster than light  
Id like to thank you tonight  
Honey I aint never had nobody like you  
I aint never had nobody like you  
And its just like ABC  
Lifes just like 123  
Yeah yeeeah  
Yeah yeeeah  
Oh oh  
I trusted liars and thieves in my madness  
Honey I was wasting away in the room  
But now that I been through that hell I got a story to tell  
Honey I aint never had nobody like you  
I aint never had nobody like you  
I aint never had nobody like you
