

# M2M, Not To Me (Everything Single)

Not To Me (3:08)

Written by

Marion Ravn/ Marit Larsen

## VERSE ONE 1

You sent me up to heaven

I was safe and loved there

Then you pushed me down the ladder

Now you just left me here

## PRE-CHORUS

But I'm strong, cant get hurt

This must be wrong, won't sink down in the dirt

## CHORUS

What's with me

This is not happening

Not to me

Not reality

Not to me

Not to me

Pre Chorus

Chorus
