M83, Oblivion (feat. Susanne Sundf?r)

Since I was young, I knew I?d find you But our love was a song sung by a dying swan And in the night you hear me calling, You hear me calling And in your dreams you see me falling, falling

Breathe in the light I?ll stay here in the shadow Waiting for a sign, as the time grows Higher, and higher, and higher And when the nights alarm All those stars recall your goodbye, your goodbye

And in the night you hear me calling, You hear me calling And in your dreams you see us falling, falling And in the night you hear me calling, You hear me calling And in your dreams you see us falling, falling

Breathe in the light and say goodbye Breath in the light and say goodbye
