

Maanam, Salamander

Who am I
Created day by day
I'm your fantasy
Who am I
With cool, soft claws
A golden mystery

See and feel
How I come alive
In the pouring rain

I'm a Salamander

You know
You can always catch me
But only for a while
You know
I'll always run free
Unless . . . you kill me

See and feel
How I come alive
In the pouring rain

I'm a Salamander

Who am I
I love water
Fire caresses me
You know
I love fire
Fire and the rain

See and feel
How I come alive
In the pouring rain

I'm a Salamander
