

# Maarja, Hide Your Heart

All alone in this garden of earthly delights  
No one around to tell us what's wrong or right  
And I'm plucking this forbidden  
fruit down from the tree  
now I'm holding out the apple  
won't you come to me

Can you see it  
Can you feel it  
Do you want it  
Can't you smell it  
Almost taste it  
Are you hungry oh oh oh

You'd better hide your heart oh tonight ( x2)

Two paths to go down it's up  
to you to decide  
Let go of innocence or hold  
on to your pride  
I will lead you  
Don't be frightened  
You could be king  
Live forever

You'd better hide your heart oh tonight (x2)

Fall into temptation  
Yielding to sensation  
Give in to seduction  
There's nowhere left to run  
It's do or die  
You'd better hide
