

Mabel, Definition

Shoulda known I'm the one
Shoulda known I'm a wonder
Cos he had no clue I'd do it like that
Don't be so surprised, when I put it on ya
Cos it's about the time you met your match

You been looking in the wrong places
Kissing all the wrong faces
And you need you a girl who does it right, mmm
I embody that good feeling
Show you the true meaning
So if you need someone to blow your mind

Look at me cos I'm the definition of a good girl, bad bitch
Nothing like your average
Something like a savage
Look no further I'm the definition of legendary
Extraordinary, check your dictionary
You'll see me cos I'm the definition of a boss

No cap I'm a dime piece
Top top tier baby realise
I know what I want
And I know what I need
So it ain't too hard to verbalise

You been looking in the wrong places
Kissing all the wrong faces
And you need you a girl who does it right, mmm
I embody that good feeling
Show you the true meaning
So if you need someone to blow your mind

Look at me cos I'm the definition of a good girl, bad bitch
Nothing like your average
Something like a savage
Look no further I'm the definition of legendary
Extraordinary, check your dictionary
You'll see me cos I'm the definition of a
good girl, bad bitch
Nothing like your average
Something like a savage
Look no further I'm the definition of legendary
Extraordinary, check your dictionary
You'll see me cos I'm the definition of
Look it up, look it up, you'll see me cos I'm the definition of
Look it up, look it up, you'll see me cos I'm the definition of

And you need you a girl who does it right, mmm
I embody that good feeling
Show you the true meaning
So if you need someone to blow your mind
Look at me cos I'm the definition of a
good girl, bad bitch
Nothing like your average
Something like a savage
Look no further I'm the definition of legendary
Extraordinary, check your dictionary
You'll see me cos I'm the definition of
I'm the definition
Look it up, look it up
You'll see me cos I'm the definition of
Look it up, look it up
You'll see me cos I'm the definition of
