

# Mabel, Loneliest Time Of Year

sorry, i am not so merry  
but I feel like this yearly  
Christmas time sin't my vibe  
brings no joy into my life

watch the snowy as it's falling  
and I don't feel a damn thing  
only dark in the tree ights  
just another December night

sleigh bells ringing  
still I feel sad  
it'll have you thinking  
of all the things  
that you don't have

but I know  
If ii am feeling lonely  
I can't be the only one  
drowning in my tears  
so somebody show me  
how am I supposed to have fun  
at the loneliest time of year?  
year  
at the loneliest time of year?

can you even imagine  
all the people hat haven't  
got no present, no mistletoe  
some are living whiteout a home  
waking up in the morning  
and there's nobody calling  
all wrapped up in a winter coat  
still longing for somebody to hold

sleigh bells ringing  
still I feel sad  
it'll have you thinking  
of all the things  
that you don't have

but I know  
If i am feeling lonely  
I can't be the only one  
drowning in my tears  
so somebody show me  
how am I supposed to have fun  
at the loneliest time of year?  
year  
at the loneliest time of year?

so it doesn't matter if I managed to get  
all the things on y list  
something about the yuletide  
makes melonely inside  
can't just be me feeling like this

If i am feeling lonely  
I can't be the only one  
drowning in my tears  
so somebody show me  
how am I supposed to have fun  
at the loneliest time of year?  
year

at the loneliest time of year?
