

# Mac Dre, Chevs & Fords

[ CHORUS ]

[ Mac Dre ]

Cause I'm the Chevy man

The Chevy man?

Yes, I'm the Chevy man

[ Lil Bruce ]

I'm a Ford man

Mob in my old school because I can

I'm a Ford man

Tryin to figure eight with a blunt in my hand

[ VERSE 1: Mac Dre ]

My partner got a EICo, my homie got a 'Maro

He Mexicano, might rock a sombrero

My cuzzo got a Mali' sittin on Rally's

He candy green, might've seen him in the Valley

My uncle got a Imp', he a pimp

96 in the flow when he hide behind a tint

My auntie got a 'Vette so tight she might wreck

My cuddy got a candy Nova, he hella wet

My granny got a 'Burban, not an Excursion

Gramps got a Silverado, Stepside version

My nigga Nate got a C-28

And if the rollers get behind him, boy, he finna shake

My folks got a glasshouse and when he mash out

I crack the heem and pull the grass and the hash out

Catch Dre in a trey, revvin it

Please believe it, I'm always Chev'in it

[ CHORUS ]

[ VERSE 2: Lil Bruce ]

I hit the California coast in a California Mustang

Shelby drop-top so hot on them gold thangs

I get the thumbs up, I like that old school Ford

I got the 64 Falcon, all original, restored

Sports coupe Sprint, not a ding or a dent

390 V8, you didn't know they made them

With my XR-7 70 work convertable

429 Cobra Jet unservable

I'm a Ford man, never bored, man, I got collection

Smash on a Chevy, then I smoke the intersection

Give us a parking lot and let the sideshow commence

Young niggas lose on the impounds and dents

High speeds, I knows all about em

Old school veteran, Lil Bruce straight clownin

I slap my shit on low and let the rollers feel my pan

They know they can't see me cause I be the Ford man

[ CHORUS ]

[ VERSE 3 ]

[ Lil Bruce ]

This is high speed chase play, I'm first on race day

I'm at the stoplight with my cutthroat Mac Dre

[ Mac Dre ]

I'm at the light on slicks pushin on the throttle

SS 400 small rock Monte Carlo

[ Lil Bruce ]

69 Falcon lights squarer than my first hoe

427 with the fo' on the flo'

[ Mac Dre ]

Yeah, you lookin hella clean and kinda mobby

But my gears snatch quick with this 12 valve Posie

[ Lil Bruce ]

Yeah, I like your Caddy but I'ma blow your do's

I got the 750 double pump Holly on flows

[ Mac Dre ]

( ? ) lifters, B&M shifter

Nitrous oxide make the Chevrolet swifter

[ Lil Bruce ]

Trick flowin hearse with the nitrous burst

Make the sports coupe fly and the Chevy boys cry

[ Mac Dre ]

I got ported aluminum heads, I'm hella fast

Your Ford's in my rearview, I'm seein checker flags
