

# Mac Dre, Dipped When You See Me

I'm dipped when they see me

I smoke backwood blunts cuz they the most expensive  
Me no work don't touch no nuts and wrenches  
You always see me shopping like it's Christmas  
I'm always tree shopping like it's Christmas  
Miami my witness

I'm flammy relentless

Yes I pimp bitch and no I didn't rent this  
I'm showing no interest in them girls thats broke  
You need bank and dank for Furl to smoke  
Jumbo prawns and australian lobster  
I want everything life has to offer  
Coppas jealous cuz me an my fellas  
Eat the legs no more hot dogs and rellish  
Two sets of grills, Two sets of wheels  
Whatever I feel I do sex and pills  
Coogi in the winter with the matchin beanie  
Eating linguini

I'm dipped when they see me

I'm dipped when they see me

They don't wanna see me

These niggaz wanna be me

It's my turn to live like the eyes burn  
Keep rollin baby lets smoke til our eyes burn  
I'm not concerned with your petty affairs  
You been drivin in that same old Chevy for years  
Out with old in with the new  
This ain't 2k2 nigga what you gon do  
Its 2k3 and it's almost over lemme see  
July, August, September, October...yup  
Boy you better hurry up flip you a model  
And some of that new car smell that come in a bottle  
When I come thru it's like watchin tv

I'm a living video

I'm dipped when they see me

I'm dipped when they see me

They don't wanna see me

These niggaz wanna be me
