

# MAC MILLER, Cinderella (feat. Ty Dolla \$ign)

I've been waiting all night for this moment  
I've been waiting whole year for this moment  
I've been picturing you taking off the cloths for me  
I've been literally curving all this songs for you  
Daddy told you better bring your ass home  
Cinderella, better get your ass home  
Better .. just parents ain't understand  
You ain't got be old to be a man!
