

Macabre, Albert Fish Was Worse Than Any Fish

(Albert Fish)

Fish seemed like a nice old man and people believed his lies,

But Albert was a child eating shark in disguise.

Albert was worse than any fish in the sea.

He killed and ate young children and enjoyed it immensely.

Albert, a child eating Fish was he

Who devoured the flesh of kinds because he thought it was tasty.

The land was Albert's ocean; Fish consumed his helpless prey.

He would have ate more kids but they caught him and made fish =
fillet.

Albert was worse than any fish in the sea.

He killed and ate young children and enjoyed it immensely.

Albert, a child eating Fish was he

Who devoured the flesh of kinds because he thought it was tasty.
