

# Macabre, Ambassador Hotel

Jeffrey went down to the Ambassador Hotel  
With a young man that had didn't know too well  
And when he awoke  
He found the young man laying dead  
And the thought of a suitcase  
Popped into Jeffrey's head

He flagged down a taxi back to his grandma's place  
With the help of the driver loaded the man in the suitcase  
Then when his grandma went to church on Sunday  
He dismembered the man and he threw him away
