

Macabre, In The Army Now

Jeffrey joined the army
Was stationed in West Germany
He drank so much alcohol
That he got a dishonorable discharge

Jeff's in the army now
Jeff's in the army now

When Jeffrey come marching home again
Insane killer
He's gong to kill a lot of men
The gay killer
He'll cut them up
And he'll throw them out
He'll masturbate
'Til his cum squirts out
He'll kill many gays
When Jeffrey comes marching home

When Jeffrey comes marching home again
Insane killer
He's going to kill a lot of men
The gay killer
He'll cut them up
And he'll throw them out
He'll masturbate
'Til his cum squirts out
He'll kill many gays
When Jeffrey comes
Marching home
