

# Macabre, In The Army Now

Jeffrey joined the army  
Was stationed in West Germany  
He drank so much alcohol  
That he got a dishonorable discharge

Jeff's in the army now  
Jeff's in the army now

When Jeffrey come marching home again  
Insane killer  
He's gong to kill a lot of men  
The gay killer  
He'll cut them up  
And he'll throw them out  
He'll masturbate  
'Til his cum squirts out  
He'll kill many gays  
When Jeffrey comes marching home

When Jeffrey comes marching home again  
Insane killer  
He's going to kill a lot of men  
The gay killer  
He'll cut them up  
And he'll throw them out
