

# Macabre, Jeffrey Dahmer Blues

On the night I met Jeffrey  
It was a terrible night  
He took me home and drugged me  
So I couldn't put up a fight

I got the Jeffrey Dahmer blues  
It's front page news  
I got the Jeffrey Dahmer blues  
It's front page news

He's drilling my head  
I wish I was dead  
Instead I'm a zombie  
Laying in Jeffrey's bed

I got the Jeffrey Dahmer blues  
It's front page news  
I got the Jeffrey Dahmer blues  
It's front page news
