

Macabre, The Green River Murderer (He's Still O

The Green River murderer
He's still out there
The authorities can't find him
For the prostitutes slain by him
Forty-eight and counting
Dead prostitutes keep mounting
The Green River murderer
He's still out there
The authorities can't find him
A trail of bodies behind him
Forty-eight and counting
The body count keeps mounting
The Green River murderer
He's still out there
The authorities can't find him
For the prostitutes slain by him
