Machinae Supremacy, Empire

Only to deceive the memory Begin the words and bleed reality.

(Those without a name) Bow down before your Gods (This is your empire) Close your eyes. (Those without a say) Bow down before your Gods (This is your empire) Pay the price.

Embraced without belief is anarchy Unvoiced a distant grief that beckons me.

(Those without a name) Bow down before your Gods (This is your empire) Close your eyes. (Those without a say) Bow down before your Gods (This is your empire) Pay the price.

(Those without a name) Bow down before your Gods (This is your empire) Close your eyes. (Those without a say) Bow down before your Gods (This is your empire) Pay the price.

(Those without a name) Bow down before your Gods (This is your empire) Close your eyes. (Those without a say) Bow down before your Gods (This is your empire) Pay the price.

(Those without a name) Bow down before your Gods (This is your empire) Close your eyes. (Those without a say) Bow down before your Gods (This is your empire) Pay the price.
