

Machine Gun Fellatio, 204 Bell Street

Only three front doors,
long dusty hall,
living room, dining room, shower and the kitchen.
Two set of stairs, five bedrooms,
a junk room, a sewing room, a toilet out the back.
204 Bell Street, it was a shit house! [so give me a drill]
204 Bell Street, it was a shit house! [It gave me a thrill!]
You live at 204 Bell Street...ah.
