

Machine Gun Fellatio, Gun To You Head

Hold the gun to you head
Hold the gun to you head
Hold the gun to you head
Hold the gun to you head
Hold the gun to you head

...and pull the trigger

Put your hands out

Put your hands out, OUT

Put your hands out, OUT

Way out 'bout shoulder high like they gonna crucify you baby

Like they gonna crucify you baby

Put your hands out

Put your hands out, OUT

Put your hands out, OUT

Way out 'bout shoulder high like they gonna crucify you baby

Like they gonna crucify you baby

Put your hands out

Put your hands out, OUT
