## Machine Gun Fellatio, Gun To You Head

Hold the gun to you head
Hold the gun to you head
Hold the gun to you head
Hold the gun to you head
Hold the gun to you head
...and pull the trigger
Put your hands out
Put your hands out, OUT
Put your hands out, OUT
Way out 'bout shoulder high like they gonna crucify you baby
Like they gonna crucify you baby
Put your hands out
Put your hands out, OUT

Put your hands out, OUT Way out 'bout shoulder high like they gonna crucify you baby Like they gonna crucify you baby

Put your hands out

Put your hands out, OUT
