

Machine Gun Fellatio, Just B'Coz

I see a shape in the crowd
I turn to know where you are
But all around me's the stench of high density housing
The stereo's listening to me
And I'm being watched by TV
And valium's all I have left since I ran out of coffee
Just because you don't remember
Doesn't mean that I'll forget you
Just because you won't remember
Doesn't mean that I'll forget you
Just because you won't remember
Doesn't mean that I'll forget you
I gave you all that I had
You kept your flag at half-mast
I thought we were on the same train
But we're still at the station
I see a shape in the crowd
I need to know where you are
I'm lost and I'm found in the sweet stench
Of high density housing
Just because you don't remember
Doesn't mean that I'll forget you
Just because you won't remember
Doesn't mean that I'll forget you
Just because you won't remember
Doesn't mean that I'll forget you
But I will tear it down to make you happy
Yeah I will tear it down to bring you back to me
And I will tear it down to make you happy, happy
Yeah I will tear it down, tear it down, tear it down
To bring you back to me, back to me
I see a shape in the crowd
I turn to know where you are
And I will tear it down to make you happy
(I see a shape in the crowd)
Yeah I will tear it down to bring you back to me, back to me
(I need to know where you are)
And I will tear it down to make you happy, happy
(I see a shape in the crowd)
(But all around me's the stench of high density housing)
Yeah I will tear it down, tear it down, tear it down
(I see a shape in the crowd)
(I see a shape in the crowd)
To bring you back to me, back to me, back to me
I see a shape in the crowd
