

Machine Gun Kelly, Cleveland (Ft. Dubo)

Man, I'm so Cleveland it's a goddamn shame
So East side I'm a goddamn gang
Said you ain't heard about my goddamn name
Better ask around here, I'm a goddamn king
Man I put my work in these goddamn streets
Earned my stripes like a goddamn beast
Tatted up no shirt still got sleeves
And I'm good from heights to 116th
Mother fucker this me, Kells
Fuck the fame!
Still roll through the blocks where they up them thangs
With the same hoes that tatted up my name
I'm still the little white boy out of Shaker, mane
I go hard, off, in, dumb
But you don't wanna test my G
Because I got one thou', two thou', three thou', four thousand soldiers in EST
Baou, Baou

Yeah, yeah, yeah!
You know I put it down for (Cleveland)
I rep my state, my hood, my side of town in (Cleveland)
King of this shit, that's why I wear my crown in (Cleveland)
So don't come around Cleveland
Bitch I'm from (Cleveland)
Tatted it on my arm you know I'm reppin' (Cleveland)

Looking at it like 'this mine right here'
So what you talking about; I can't ride right here?
You mother fuckers think I'm gonna hide right here?
Raised in this god damn city
No I wasn't born in it, but believe I'ma die right here
Cleveland bred, Cleveland fed
My Cleveland girl give me Cleveland head
And anybody saying that Cleveland's dead
Fuck y'all!
Tell them that's what Cleveland said
Cleveland fit, Cleveland hat
Anywhere I go is where Cleveland's at
So when the world ends I think you'll know where we'll be
