

# Machine Gun Kelly, Dark Side Of The Moon

The dark side of the moon looks like an only child who can't fit into place  
The dark side of the moon looks like a single mother bruises on her face  
The dark side of the moon looks like somebody's sister yelling out "rape"  
The dark side of the moon is eminent because you can't escape fate  
Yeah, the dark side of the moon

Tommy was young  
Tommy had everything you could want as an adolescent except for having fun  
Tommy was young  
Susceptible to all the repercussions of being a drunk fathers only son  
Tommy was dumb  
Get your ass in that room till I come back you piece of shit  
But dad would never come  
Tommy was dumb  
Students would laugh at him and attack him after their classes until Tommy would run  
Tommy was numb  
Too many years of feeling degraded now hatred is the only feeling that comes  
Tommy was numb  
Fuck this  
Ran into his high school  
Tommy's got a gun

The dark side of the moon looks like an only child who can't fit into place  
The dark side of the moon looks like a single mother bruises on her face  
The dark side of the moon looks like somebody's sister yelling out "rape"  
The dark side of the moon is eminent because you can't escape fate  
Yeah, the dark side of the moon
