## Machine Gun Kelly, DAYWALKER! (ft. CORPSE)

Push that motherfuc\* in the face You hating what he said Right beat his ass Leave him at the stoplight

i know you wanna change but nobody's round so kick him again while he's on teh ground y'all never be the same

i wanna know if i tell you a secret where you keep it

i need someone to blame and when i see somebody talking with him i wanna break
