

# Machine Gun Kelly, Go For Broke

You could get high or you could get low  
You could stay young or you could grow old  
Let it go (Oooh)  
'Cause I'ma I'ma go for broke  
You could go hard or you could go home  
You could live life or you could just fold  
Let it go (Oooh)  
'Cause I'ma I'ma go for broke

Look, I started with a dollar and a dream, right  
So I can show these people how to dream, right  
I could show 'em how to aim for the stars  
And take it to the arenas from the street lights  
Damn, oh this is what the top feels like? (Whoa)  
I still remember Ramen noodle meal nights  
I still remember checkin' my account  
And having 26 dollars when I signed my record deal nights  
And I remember being cold  
In my apartment, used the heater from the kitchen stove  
Highs and Lows, that's how it goes  
So I gotta roll somethin' up  
Just to cope with the pressures of growin' up, man

What a week  
We made it to the bar 'cause we need to heal up  
You gotta play for keeps  
'Cause Aces tend to stay with dealers  
You got to believe it  
But I'm a sinner too so I ain't preachin'  
Just keep on dreamin'  
'Cause all the bad days come for good reasons

You could get high or you could get low  
You could stay young or you could grow old  
Let it go (Oooh)  
'Cause I'ma I'ma go for broke  
You could go hard or you could go home  
You could live life or you could just fold  
Let it go (Oooh)  
'Cause I'ma I'ma go for broke

Yeah, and if I had a dollar  
For everytime they told me what I wouldn't be  
I would be a rich man with a crib on a big hill (for real)  
But I gotta work to get paid  
Earn my own way  
Work the third shift, burn the whole spliff  
Since birth I've been... (Hold up, let me get it)  
Look, failure was not an option, I gotta be at the top  
Like I'm sorry, but I don't really feel sorry for y'all  
I'm sorry I got a new number that you can't call  
I'm sorry to everyone who still wants me to fall  
Hold up, you know what, I ain't sorry at all

So I, hope that it was worth it when you searching  
And you find what glitters ain't gold  
And I, knew I wasn't perfect but I know that I made it all on my own

You could get high or you could get low  
You could stay young or you could grow old  
Let it go (Oooh)  
'Cause I'ma I'ma go for broke  
You could go hard or you could go home  
You could live life or you could just fold

Let it go (Oooh)  
'Cause I'ma I'ma go for broke

Paid my dues, so I'll see you later  
Life is much more than paper  
So I let it go, I just hit the road, I just let it go  
Yeah, paid my dues so I see you later  
Life is much more than paper  
So let it go, I just hit the road, I just let it go

You could get high or you could get low  
You could stay young or you could grow old  
Let it go (Oooh)  
'Cause I'ma I'ma go for broke  
You could go hard or you could go home  
You could live life or you could just fold  
Let it go (Oooh)  
'Cause I'ma I'ma go for broke
