

Machine Gun Kelly, love race (feat Kellin Quinn)

I found a silver ring
And put it on my finger
I picked up my gitar
And played it fo the Reaper
God was a girl, the devil wore a T-shirt
Love is a game an babe
We're kissing in the bleachers

I don't want to be without you but
I am here, screaming by myslef

I am on the run
I am on the run
I am on the run
To get back to you
To get back to you
To get back to you

I found a special ring
And put in on my finger
A voice said suddnely
You're never gonna keep her
Please on't look behind
The past is trying to catch up
Pressure's on our side
Outside got a claustrophobia

I don't want to be without you but
I am here, screaming by myslef

I am on the run
I am on the run
I am on the run
To get back to you
To get back to you
To get back to you

God was a girl, the devil wore a T-shirt
Love is a game an babe
We're kissing in the bleachers
God was a girl, the devil wore a T-shirt
Love is a game an babe
We're kissing in the bleachers

I am on the run
I am on the run
I am on the run
To get back to you
To get back to you
To get back to you
