

# Machine Gun Kelly, Misery Business

I'm in the business of misery, let's take it from the top  
She's got a body like an hourglass, it's ticking like a clock  
It's a matter of time before we all run out  
Just when I thought she was mine, he caught her by the mouth  
I waited eight long months, he finally set her free  
I told her I couldn't lie, she was the only one for me  
Two weeks and we had caught on fire  
He's got it out for me, but I wear the biggest smile

Whoa, I never meant to brag  
But I've got her where I want her now  
Whoa, it was never my intention to brag  
And steal it all away from you now  
But God, does it feel so good  
'Cause I've got her where I want her now  
And if you could, then you know you would  
'Cause God, it just feels so  
It just feels so good

Second chances, they don't ever matter, people never change  
Once a whore you're nothing more  
I'm sorry, that'll never change  
And about forgiveness, that we're supposed to have exchanged  
I'm sorry homie, but I passed it up, now look this way  
There's a million other girls who do it just like you  
Looking as innocent as possible to get to who  
They want and what they want  
It's easy if you do it right  
Well I refuse, I refuse, I refuse!

Whoa, I never meant to brag  
But I've got her where I want her now  
Whoa, it was never my intention to brag  
And steal it all away from you now  
But God, does it feel so good  
'Cause I've got her where I want her right now  
And if you could, then you know you would  
'Cause God, it just feels so  
It just feels so good

I watched her wildest dreams come true  
And not one of them involving you  
Just watch my wildest dreams come true  
Not one of them involving  
You, you

Whoa, I never meant to brag  
But I've got her where I want her now

Whoa, I never meant to brag  
But I've got her where I want her now  
Whoa, it was never my intention to brag  
To steal it all away from you now  
But God, does it feel so good  
'Cause I've got her where I want her now  
And if you could, then you know you would  
'Cause God, it just feels so  
It just feels so good
