

Machine Gun Kelly, Yungblud & Travis Barker, I T

watch me
take a good thing
and fuck it all up in one night
catch me
I'm the one on the run away
rom the headlights
no sleep
up al week
wasting time on people I don't like
I think
something's fucking wrong with me

draw myself in alcohol
that shit never helps at all
I might say some stupid things tonight
when you pick up this call
I've been hearing silence on
the other side for way too long

I can taste it on my tongue
I can tell that something's wrong
but I guess I;s just my life
and I can take it if I wanna
but I cannot hide in hills of California
cecause these hills have eyes
and I got paranoia
I hurt myself sometimes
is that too scary for you

watch me
take a good thing
and fuck it all up in one night
catch me
I'm the one on the run away
rom the headlights
no sleep
up al week
wasting time on people I don't like
I think
something's fucking wrong with me

roll me up and smoke me, love
we can fly into the night
roll me up and smoke me, love
we can fly into the night
take drugs and let go
to figure it all out, I won't
take drugs on gravestones
t to figure it all out, I won't

watch me
take a good thing
and fuck it all up in one night
catch me
I'm the one on the run away
rom the headlights
no sleep
up al week
wasting time on people I don't like
I think
something's fucking wrong with me

Sunday, alone at midnight
inside mountain light

drowning cant; think right
day one, she keeps ypu callinf
she gets up
wake in te morning

goodnight goodnight
goodnight goodnight
