

Machine Head, Burning Red

I see the sun begin to rise
and I'm blinded too
I've seen the world through painted eyes
that I'm crying through
I watched the darkness hypnotize
and confided

hold on, I'm falling
can't breathe anymore as
an ocean has opened
these Scars need to
heal over

caress the needle prick in my eye
the tears fell like rain
I've rode the Phoenix as she glides
and I've gone insane
I've seen the light of suicide
and I'm dying

hold on, I'm falling
can't breathe anymore as
an ocean has opened
these Scars need to
heal over

hold on I'm falling
can't breathe...breathe...

colder and colder...
just hold on to me
