

# Machine Head, Burning Red

I see the sun begin to rise  
and I'm blinded too  
I've seen the world through painted eyes  
that I'm crying through  
I watched the darkness hypnotize  
and confided

hold on, I'm falling  
can't breathe anymore as  
an ocean has opened  
these Scars need to  
heal over

caress the needle prick in my eye  
the tears fell like rain  
I've rode the Phoenix as she glides  
and I've gone insane  
I've seen the light of suicide  
and I'm dying

hold on, I'm falling  
can't breathe anymore as  
an ocean has opened  
these Scars need to  
heal over

hold on I'm falling  
can't breathe...breathe...

colder and colder...  
just hold on to me
