

# Machine Head, Take My Scars

it's been around for a thousand years  
and it'll be here for plenty more  
it is the face hidden in disgrace  
that has become now an open sore

it is a false messiah  
it is the face of pain  
the bringer of the bittersweet  
the heretic insane

[chorus:]  
take my scars  
through hands of god  
i found a better way  
to break the walls

fed all the lies and desensitized  
taught to believe that it is the way  
taught to divide and exactly why  
you'll never understand my rage

you've never had to borrow  
you've never had to steal  
you eat it with your silver spoon  
for me it's real

[chorus]  
[lead: Robb]

blood and concrete  
piss and wine  
whores that fuck  
to feel divine

they'll clean their needles  
in their shrine  
in ignorance  
it's bliss you find

why can't you fuckin' open  
open up you eyes
