

Machine Men, Tyrannize

Don't be afraid, I'm just a soldier with a gun
I'm spreading peace - I'm a patriotic son
I have a robot mind - I'm a robot slave -
a ghost in this tyranny's game

Welcome to the world - made of lead -
The valley of the shadow of death
Where the angles of retribution
Spread the seed of distress collapsing all fortresses

Take my hand - the hand of a fool
I'm the man who commands - my words are your rules
I'll rip up your wings - I'll feed you all my sins -
I'll dive under your skin

Welcome to the world - made of lead -
The valley of the shadow of death
Where the angles of retribution
Spread the seed of distress collapsing all fortresses
