

# Machines Of Loving Grace, Butterfly Wings

You can't place faith in material things  
material things will fail you  
a hurricane triggered by a butterfly's wings  
your conspirators betray you

Don't place faith in human beings  
human beings are unreliable things  
don't place faith in human beings  
human beings or butterfly's wings

You can't place faith in a new regime  
that fascist faith will kill you  
a hurricane triggered by a butterfly's wings  
your conspirators betray you

don't place faith in human beings  
human beings are unreliable things  
don't place faith in human beings  
human beings or butterfly wings

there's something burning  
deep inside I know  
there's something  
inside this hole

(tonight when i chase the dragon -  
By their fruits you shall know them)

Don't place faith  
Don't place faith  
When I decide to live in the mind  
the heart dies  
mother superior in the sky  
the heart dies  
the heart dies

Don't place faith in human beings  
human beings are unreliable things  
don't place faith in human beings  
human beings or butterfly wings
