

Machines Of Loving Grace, Butterfly Wings

You can't place faith in material things
material things will fail you
a hurricane triggered by a butterfly's wings
your conspirators betray you

Don't place faith in human beings
human beings are unreliable things
don't place faith in human beings
human beings or butterfly's wings

You can't place faith in a new regime
that fascist faith will kill you
a hurricane triggered by a butterfly's wings
your conspirators betray you

don't place faith in human beings
human beings are unreliable things
don't place faith in human beings
human beings or butterfly wings

there's something burning
deep inside I know
there's something
inside this hole

(tonight when i chase the dragon -
By their fruits you shall know them)

Don't place faith
Don't place faith
When I decide to live in the mind
the heart dies
mother superior in the sky
the heart dies
the heart dies

Don't place faith in human beings
human beings are unreliable things
don't place faith in human beings
human beings or butterfly wings
