

MACKLEMORE, 1984

Standing in line
Standing in line
As we wait outside
Waiting outside
The rush, the high
The dance floor's open waiting for us to collide
We are king, we are queen
We are king, we are queen
We are living a dream
Living a dream
This is not what it seems
This is ours for the taking
You are the lady for me

And we've seen it all before
Sweat falls down to the floor
Tonight I'm all yours
Let's live like it's 1984

Baby, give me the green light
Don't you break my heart
Your love is a freeway
I want to ride it to the stars
I want to do this forever
You dancing in my arms
Always be yours
Just me and you on the floor
Like it's 1984

Pretty woman in a white dress
Feel like I'm drowning, need a life vest
Overdramatic, overreactive, nah, nah
You make me manic, you make me panic
And I said, "Big hair, don't care"
Dance like nobody else here, hell yeah

You're mine tonight
Heaven in those eyes
We won't die
Let the DJ guide the night

And we've seen it all before
Sweat falls down to the floor
Tonight I'm all yours
Let's live like it's 1984

Baby give me the green light
Don't you break my heart
Your love is a freeway
I want to ride it to the stars
I want to do this forever
You dancing in my arms
Always be yours
Just me and you on the floor
Like it's 1984
Like it's 1984
Like it's 1984

Fire burning in my soul
I don't want to be alone tonight
Meet me in the sky
I want to take you home
Or anywhere you want to go tonight
We're running out of time

1984

Baby give me the green light
Don't you break my heart
Your love is a freeway
I want to ride it to the stars
I want to do this forever
You dancing in my arms
Always be yours
Just me and you on the floor
Like it's 1984
Like it's 1984
Like it's 1984
