## MACKLEMORE, American

How y'all doing there, folks? My name is Aberdeen Washington And I'm a proud American and a terrorist fighter That's right Hey, get me another beer, bitch

Now when the day Bin Laden comes to town I'm 'a drop a deuce wipe it up with his towel Mow my lawn, sit on the couch, I'm 'a watch some football I pray to the Lord the Cowboys win And beat the hell out of them damn Redskins Call up the boys, get drunk as shit Goddamn right, I'm American That's right, I'm American

Got a picture of Reagan above my fire Next to the deer I shot with my rifle N.R.A.? Hell, yeah! I support 'em No pro-choice, no abortion Mexicans? Send 'em back over the border Right on home to Samoa, wherever they come from Taking our jobs, eating out hamburgers, taking our jobs They're taking our jobs, I see 'em in the field I'm taking their head off I hate my job and I hate my boss But I love my country and I pray to God that the Cowboys win Fuck yeah Romo And the Cowboys win

That's right, that's right, that's right, come on Everybody just clap your hands If you love our country, if you love our land That's right And if you're not clapping your hands You're a terrorist and you eat sand, sandwiches

The day Bin Laden comes to town I'm 'a drop a deuce wipe my poop with his towel Mow my lawn, sit on the couch, and I'm 'a watch some football And I pray to the lord the Cowboys win And beat the hell out of them damn Redskins Call up the boys, get drunk as shit Goddamn right, I'm American I'm Ameri-fucking-can

Now John McCain and Sarah Palin I know you lost out there, it was a tough one But you're still two mavericks in my book, don't worry about it Now listen Palin, I heard you like beer Me too. I don't have a six pack But I got a beer bong in my pants What do you say we go get shit-faced in a helicopter and kill a moose

America, the chosen Guns, explosions McDonald's, bowling You don't like it, we exploit ya Pop a pill, get a boner Hell, yeah! Tony Romo Man that guy's so damn cute I wanna sack his boner And ride him brokeback all the way to Wyoming No homo. Psych

Hey I said no homo Hey... fuck terrorists I mean like f—, I don't wanna fuck a terrorist Guys, I'm kidding I like Romo, I don't like Romo I said, "Fuck terrorists," not "I wanna fuck a terrorist."

You wouldn't, if you caught Bin Laden you wouldn't give him one in the butt? For America? If ya said "No homo" right after ya did it? It doesn't count if it's terrorists Hey little Aberdeen, come in here

Yeah

Hey come sing the national family anthem, come on USA, USA, USA, USA, USA, USA, USA, Hey, Hey USA, USA, USA, USA, USA, USA, Hey, Hey

That's right, I'm an American citizen Aberdeen Washington, this is my country And just because Barack Obama won the presidential election Does not mean that half the country doesn't feel the same way I do

And I came to America And I live in America Come on And I live in America

I do too, dad Let me get 'em

And I live in America And I live in Ameri

Shut up, little Aberdeen, shut the fuck up

My bad

Let me tell 'em That's right I'm American
