

# Macy Gray, Caligula

Hush the neighbors hear you moanin and groanin  
But I just can't help it 'specially when we be bonin  
"I can take your fears away"  
He said "it's so much better when you do it my way"  
I could not believe it  
Hey what's your name  
Beau doh doh dah  
He's something like my favorite movie  
Beau doh doh dah  
I wanna se him again and again  
Beau doh doh dah  
He's like my disco - he's really groovy  
Beau doh doh dah  
When we go out I'm gonna let him in'

He wanna fight and make me feel like nothin  
Never lovin but we're always fuckin  
"I can take your fears away"  
But I kinda miss them now that they've gone astray  
I culd not believe it  
Hey what's your name?  
Beau doh doh dah  
He's somethoing like my favorite movie  
Beau doh doh dah  
I wanna see him again and again  
Beau doh doh dah  
He's like my freight train - he really moves me  
Beau doh doh dah  
When we go out I'm gonna let him in  
Beau doh doh dah  
He's something like my 7 eleven  
Beau doh doh dah  
He got me open like an all night store  
Beau doh doh dah  
He's like my blue sky - he's next to heaven  
Beau doh doh dah  
He give me some and then I want some more  
I could not believe it  
Hey what's your name?  
Beau doh doh dah  
I wanna se him again and again  
Beau doh doh dah  
He's like my disco - he's really groovy  
Beau doh doh dah  
When we go out I'm gonna let him in'

Like a Jacuzzi  
I'm hot and bubbly baby  
It's like the sunshine  
You're gonna love it  
He's something like my favorite fix  
I've got to have it again and again  
Beau dah doh dah doh dah doh
