

# Macy Gray, Ghetto Love

Lately I been high stepping  
I gotta lover who is ghetto for real  
Take me to movies and he's carrying steel  
Lord of the corner, king of the block  
Lacing his lady with chinchillas and rocks  
And he's all I want in my world.

Ghetto Love  
G-H-E-T-T-O  
G-H-E-T-T-O  
We get high together  
G-H-E-T-T-O  
G-H-E-T-T-O.

Lately I been high stepping  
Lord of my bod, king of my heart.

Gangster by day, Hennessy passion by dark  
They try to beat us but they can't  
We don't give a fuck  
They try to beat us but they can't  
We don't give a fuck  
And he's all I want in my world.

Ghetto Love  
G-H-E-T-T-O  
G-H-E-T-T-O  
We get high together  
G-H-E-T-T-O  
G-H-E-T-T-O  
Ghetto Love.

I never worry when he's gone till November  
He taught me how to keep my hands on the trigger.

G-H-E-T-T-O  
G-H-E-T-T-O  
G-H-E-T-T-O  
We get high together  
Ghetto Love  
We get high  
Lacing his lady with chinchillas and rocks  
Ghetto Love  
G-H-E-T-T-O  
G-H-E-T-T-O  
G-H-E-T-T-O  
They try to beat us but they can't  
We don't give a fuck  
Ghetto Love  
I want in my world  
Ghetto Love  
G-H-E-T-T-O  
G-H-E-T-T-O  
I want in my world  
Ghetto Love.
