

Macy Gray, I'm In Between

Someone once told me "the grass is much greener, on the other side"

Well, I payed a visit
Well, it's possible I missed it

It seems different
Yet exactly the same (Yeah, yeah, yeah, yeah)

'Til furthur notice ('Til furthur notice)
I'm in between (I'm in between)
From where I'm standing (From where I'm standing)
The grass is green

Someone once told me "the grass is much greener, on the other side"
