

# Macy Gray, Letter, The

I ever wanted was some love and peace and harmony  
I could dance in the raw in the sun underneath the stars  
When I walk over to my money tree ain't nobody there trying to take from me  
When they ask "Are you truly free?" I'd say "Yes, truly"  
But down here in reality everybody knows there ain't no such thing  
And it's clear  
It's obviously this is not the place I'm supposed to be  
On and on and on I've searched  
What I'm lookin for is not here on earth  
I can't stand I can't take no more  
So I know that I gotta go  
So long everybody  
Mama don't be sad for me  
Life was a heartache and now I am finally free  
Don't know where I'm headed  
Hope I see you someday soon  
So long everybody  
I have gone beyond the moon

All I ever wanted, love and the peace and the harmony  
Just to be live and shine  
When I get ready I up and fly  
And I can't remember none of the things that I want to forget  
It's the best - satisfaction no less  
Ask if I'm free and I'll say "Oh yes"  
But down here in reality everybody knows there ain't no such thing  
And it's clear  
It's obviously this is not the place I'm supposed to be

On and on and on I've searched  
What I'm lookin for is not here on earth  
I can't stand I can't take no more  
So I know that I gotta go  
So long everybody  
Mama don't be sad for me  
Life was a heartache and now I am finally free  
Don't know where i'm headed  
Hope I see you someday soon  
So long everybody  
I have gone beyond the moon

Before I do  
Just one more look at you  
It's worth the stay  
But I'll meet you later at that better place  
All I ever wanted was  
All I ever wanted was  
All I ever wanted was

So long everybody  
Mama don't be sad for me  
Life was a heartache and now I am finally free  
Don't know where I'm headed  
Hope I see you someday soon  
So long everybody  
I have gone beyond the moon
