

Macy Gray, Screamin'

dont hear nothin but bad news lately
and all my family has gone crazy
but i guess it dont matter since the world is gonna end
gonna make a change, at least i'll try to
will they notice, when i do
and if i dont make it will you still be my friend?

(bridge)
so baby tell me when
i'll see you again
it'll all be better

(chorus)
all of my troubles, they go away
when you're on top of me
lovin me down
makin sounds
and its so good, i am
screamin!

make me wanna throw my hands and holler
cryin cuz i miss my father
when will we get outta this mess we're in?
all i wanna do is reach the sky
i dont wanna have to die, to do that
where on earth is my heaven?

(bridge)
(chorus)
